Through photography I can observe and interpret the world around me. My determination is to "scratch" at the surfaces of things, and to make a record of my impressions. To that end, I examine the old and the new, the natural and the artificial, the physical and the spiritual, the sacred and the profane.

私は写真というものを通して自分を取り巻く世界を観察し解釈する。古きものと新しきもの、自然と人工、物理的と精神的、神聖と俗悪。これは物事の表面を"引っ掻き"自分自身を投影する、私の作品への思念投射でもある。
