Urban Renaissance Agency

Urban Renaissance Agency established its Representative Offices in Bangkok, Thailand and Jakarta, Indonesia

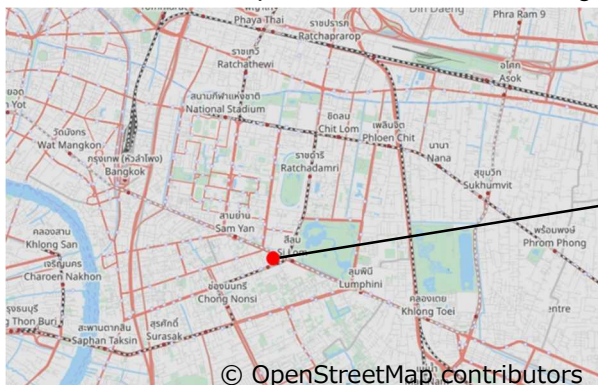

Urban Renaissance Agency (UR) established Bangkok office on 1 July and Jakarta office on 1 August, 2024.

UR established its first overseas office in Sydney on 26 April, 2021.

UR has been operating its international business utilizing its know-how and experience in urban development to promote the involvement of Japanese entities in overseas projects, based on the Act for Promotion of the Participation of Japanese Business in Overseas Infrastructure Projects enacted in 2018.

Through these new establishments, UR will be working closely with government entities to build stronger relationships, aiming to participate in multiple urban development projects, such as transit-oriented development.
