Disaster prevention and multicultural coexistence events
~ Aiming to become Otokoyama Danchi where people can
help each other with disaster prevention ~

Providing food at events

We will be serving Vietnamese food,
pork miso soup, and disaster
preparedness foods (instant rice and
preserved water)!

[Limited to 100 meals, free]

*The event will be held rain or shine. In case of
severe weather, the event will be held on Monday,
February 23rd (national holiday).

*There is no parking available for visitors.
*Please show good manners and be considerate of local residents.
*Depending on the weather, the events may be changed or canceled.

Disaster prevention
experience

You can experience
setting up outdoor tents,
disaster prevention
crafts, and more.

Provided by: DEKIRU WORKS Co., Ltd.

Free!

On Sunday, February 15th, from 10am - 12pm, the local government association will be holding a disaster prevention drill at the neighboring
Otokoyama Second Junior High School and other locations!
Please come along with everyone!

*Please note that we may take photos and videos of workshops and other events for record-keeping and PR purposes.

What is a zero-infrastructure house?

Developed by MUJI HOUSE Co., Ltd., this trailer house allows you to live freely even in places without infrastructure by relocating and combining mobile units that do not rely on existing lifelines.

Learn more

*The photo is for illustrative purposes only and may differ from the actual product.

On days when events are not held, the space is available for community activities, meetings (up to about 7 people), workshops for local residents, and as a place to relax.
